

2022 Session Themes

Wild in the Woods

May 31 – June 3

"In every walk with nature one receives far more than he seeks" - John Muir

There is so much life happening in our small forest! Every day there is something new to dig into from deep down in the dirt to way up high in the canopy of the tress. Learn the habitats and adaptations of all who inhabit this complex world and how diverse the forest can be! Set forth on an adventure guaranteed to uncover all the mystery that surrounds you in the forest!

Scales, Slime, and Stingers

June 6 – 10

June 13 - 17

"Any glimpse into the life of an animal quickens our own and makes it so much the larger and better in every way." -John Muir

The world is full of creatures that many people think are gross or scary. This session we will explore and expel some of the common myths about this misunderstood group of creatures. Learn all about insects, reptiles and amphibians and get ready to go crazy for creatures who aren't so creepy after all!

Get ready to take an adventure into the world of slime, scales, and stingers!

Chillin' on the Chattahoochee

June 20 – 24

June 27 – July 1

*"Way down yonder on the Chattahoochee, never knew how much that muddy water meant to me. But I learned how to swim and I learned who I was, a lot about livin' and a little 'bout love."
– Alan Jackson*

Way down yonder on our watershed, the Chattahoochee is a habitat bursting with life & adventure. We explore the many ways of the river, its inhabitants, and how we all connect to our main source of water: the Chattahoochee River!

Wander through our Wetlands and learn about their significance and the importance of water conservation. The river is constantly changing and always has something new to discover!

Guardians of the Globe

July 5 – 8
July 11 - 15

“There is something infinitely healing in the repeated refrains of nature – the assurance that dawn comes after night, and spring after winter.” – Rachel Carson

Every living creature impacts the world around them, from slow-growing oaks to busy beavers. Join us as we explore how plants and animals are continuously working to foster life, sometimes in ways we would never think of! We'll also take a look at our own role in the ecosystem, highlighting the work of some great conservationists and investigating small steps we can take to make a big difference in the world around us.

Sky's the Limit

July 18 – 22
July 25 - 29

“Look deep into nature, and then you will understand everything better.” – Albert Einstein

Way up in the sky the little birds fly. But why do they migrate? Why do vultures circle high above? What keeps airborne animals from drifting off into space? What impact does the atmosphere have on beavers, owls, and humans alike? Get ready for the less visible side of nature. The sky seems like it stretches on forever and in this session we will delve into its airy mysteries. From migratory patterns to weather, we're sure to see camper imaginations take flight!

Wild in the Woods

August 1 - 5

"In every walk with nature one receives far more than he seeks" - John Muir

There is so much life happening in our small forest! Every day there is something new to dig into from deep down in the dirt to way up high in the canopy of the trees. Learn the habitats and adaptations of all who inhabit this complex world and how diverse the forest can be! Set forth on an adventure guaranteed to uncover all the mystery that surrounds you in the forest!

Camp Kingfisher Summer 2022: Dates and Rates

- Campers are divided into “owl groups” by the grade they are entering in Fall 2022, (listed in parentheses following each owl group name) • **Member price:** MUST have an active Family level membership or higher at time of camp • **Returning (Member) price:** Must have an active Family level membership at time of camp AND have attended summer camp in 2021. Returning member price is offered through **March 15, 2022** • **Screech Owls** MUST be **5 years old** by session start date • **Owlets** MUST be **4 years old** by session start date • One-week and two-week campers are grouped separately and cannot be paired together • Sessions labeled with a number (1-10) are one-week in length • Sessions labeled with a letter (A-D) are 2-weeks in length • All sessions must have a minimum of 7 participants by **May 3, 2022**.

One-week Sessions

<p style="text-align: center;">Session 1: May 31- June 3 (Tue-Fri): Wild in the Woods</p> <p>Owlets Half Day (4 yrs): \$252.66 / Member: \$214.76 / Return: \$202.13 Screech Owls (K/1): \$385.34 / Member: \$327.54 / Return: \$308.27 Barn Owls (2/3): \$405.94/ Member: \$345.05 / Return: \$324.75 Barred Owls (4/5): \$410.79 / Member: \$349.17 / Return: \$328.63</p>	<p style="text-align: center;">Session 2: June 6-10: Scales, Slime and Stingers</p> <p>Owlets Half Day (4 yrs): \$315.06/ Member: \$267.80/ Return: \$252.05 Screech Owls (K/1): \$481.68/ Member: \$409.43/ Return: \$385.34 Barn Owls (2/3): \$507.43/ Member: \$431.31 / Return: \$405.94 BNO Art in Nature (2/3): \$536.21 / Member: \$455.78 / Return: \$428.96 Barred Owls (4/5): \$513.49/ Member: \$436.46 / Return: \$410.79</p>

Specialty Camps

- **Owlets Half Day:** Campers must be 4 years old by the first day of their session. The half day program runs 8:30 am to 12:30 pm and offers an introduction to summer camp, including animal encounters, mini hikes, swimming, and arts & crafts. This group consists of up to 10 campers and 2 counselors, and the owlets have their own group space separate from the chaos of full day camp.
- **Art in Nature:** Barn Owl (2/3) and Barred Owl (4/5) campers can let their creativity flow as they learn artistic techniques, how to use a variety of natural materials in their art, and how to find inspiration from the natural world. Art in Nature activities are in addition to core camp activities such as swimming, canoeing, archery, animal encounters, hikes, etc.
- **Survival:** Barred Owl (4/5) and Great Horned Owl (6/7) campers have the opportunity to learn and practice outdoor skills like building shelters, navigating the woods, and tying knots. These activities are in addition to core camp activities such as swimming, canoeing, archery, animal encounters, hikes, etc.
- **Travel Program:** Rising 8th and 9th grade campers will get a chance to explore all that Georgia's natural resources have to offer! Daily off-site adventures include hiking, white-water rafting, an overnight campout, and more! This group consists of 10 campers and 2 counselors, and they have their own meeting space separate from the rest of camp.
